Job description:

Automotive Service Technician (Noc Code 72410)

Are you looking for a job where you can learn, meet people, have fun, share your ideas and help customers in a family and diverse work environment? Would you like to join one of Canada's most iconic and trusted companies? We're 100 years young and we need you!!

Job summary

The Automotive Service Installer works in a fast-paced Automotive Service Centre environment. The role includes oil and lube service, tire installation, tire rotation and balancing and light vehicle maintenance and repairs.

Benefits:

- An amazingly friendly team
- Continued career opportunities
- Profit-sharing (conditions apply)
- Employee discount
- Diverse, inclusive and safe working environment
- Work-life balance
- Flexible work hours
- Ongoing training and learning
- Scholarship opportunities
- Reward and recognition program
- Group benefit plan (conditions apply)
- On-site parking
- Public transportation nearby
- Free coffee
- Working for an employer that's involved in the community
- Working for a locally owned business
- And much more!!

Responsibilities:

- Perform customer vehicle basic maintenance and repairs, as requested (lube, oil and filter changes / remove, install, rotate and balance tires / basic repairs, maintenance and inspections that do not require the presence of a Licensed Automobile Technician, etc.).
- Administer drive clean emission tests (only in specific provinces).
- Perform Registered Imported Vehicles (RIV) inspections.
- Communicate with Service Manager/Service Advisors/Licensed Automobile Technicians and Back Parts Window Associate.
- Provide accurate estimates and written vehicle reports to the Service Advisor.
- Ensure that an unsafe vehicle is reported to management and vehicle owner.
- Ensure compliance with Health and Safety regulations.

Requirements / Skills

- Valid driver's license for province of employment
- Ability to handle physical demands including standing/walking for 8 hours while frequently lifting and carrying items, twisting, turning and reaching
- Ability to work shifts (days, evenings, week-ends and holidays)
- Approachable
- Ability to work in a fast-paced environment
- Ability to find solutions to problems, adapt and cope with challenging situations and make decisions
- Knowledge of current automobile technology
- Ability to work effectively with computerized systems
- Results-oriented
- Experience in a similar role, in a Canadian Tire Automotive Service Centre (asset)
- Good working knowledge of COSTAR (asset)

Canadian Tire Stores encourage all applicants to verify job opportunities by visiting the official Canadian Tire careers website before submitting personal information or applications.”
